

Donaldson Delivers
**Filtration Solutions
for Construction**

Heavy-duty filters for
heavy-duty equipment

Donaldson delivers the most comprehensive line of filtration solutions for construction fleets.

Downtime means lost revenue. To keep your equipment in service you need **filters** that deliver superior performance – and a **reliable supplier** that offers complete coverage for your entire fleet.

With Donaldson protection, your engines and equipment will operate longer between filter replacements, saving on costly downtime and repairs. And adding a Donaldson filtration system to your bulk fuel and lube storage will provide even more protection for your equipment and maximize uptime.

Donaldson Delivers.

Innovative filtration solutions for engines, equipment and the people who use them.

- **Industry-Leading Technology** – uncompromising product quality
- **OE Grade** – Donaldson is the first-fit choice of equipment manufacturers around the world
- **Broad Product Coverage** – air, lube, fuel, coolant and hydraulic filters and systems, plus exhaust, accessories and more
- **Consistent Product Availability** – the filters you need, when you need them
- **Comprehensive Customer Service** – experienced and knowledgeable sales and technical support teams
- **Distribution That Makes a Difference** – support from exceptional partners that know construction equipment and are quick to respond
- **Warranty** – industry leading coverage
- **Far Reaching Field Support** – Donaldson Representatives are nearby and ready to assist

Complete Coverage from End to End

Filtration Products for Construction Applications

Fuel Filtration

Donaldson filters help prevent injector damage by delivering clean fuel to your engine. They're a better way to filter fuel.

Fuel filters protect engine components and help extend equipment life.

Donaldson
BLUE™

Donaldson Blue™ Cummins® QSK secondary fuel filter with Synteq XP™ media technology offers superior contaminant removal and retention – 4X cleaner than the best competitive filter.

Cummins® is a registered trademark of Cummins Inc. Racor® is a registered trademark of Parker Hannifin Corporation.

Replacement filters for Racor® fuel systems

Choose the filter system that you prefer – Twist&Drain™ or OEM style filters.

Replacement filters for Stanadyne® Fuel Manager® FM 100 fuel systems

Universal interface allows one part to fit multiple applications.

Lube Filtration

Donaldson lube filters keep oil clean by capturing contaminants that can cause engine damage.

Donaldson
BLUE™

Lube filters capture metals, soot and contaminants to maintain higher cleanliness standards.

Coolant Filtration

Donaldson coolant filters remove contaminants and maintain cooling system balance.

Coolant filters help keep hot-running engines cool and reduce downtime.

Donaldson
BLUE™

Air Filtration

Today's high performance engines and tougher emissions standards demand higher-performing air intake systems.

Air cleaners and pre-cleaners
The company that invented air cleaners for heavy-duty engines offers the broadest range of air cleaners and pre-cleaners available for construction equipment.

Replacement filters deliver better protection with Donaldson Blue® filters or PowerCore® filtration technology.

Replacement filters for Fleetguard® OptiAir™ Air Cleaners use high-efficiency media, vibration-resistant RadialSeal™ design and rigid structural support to deliver complete engine protection.

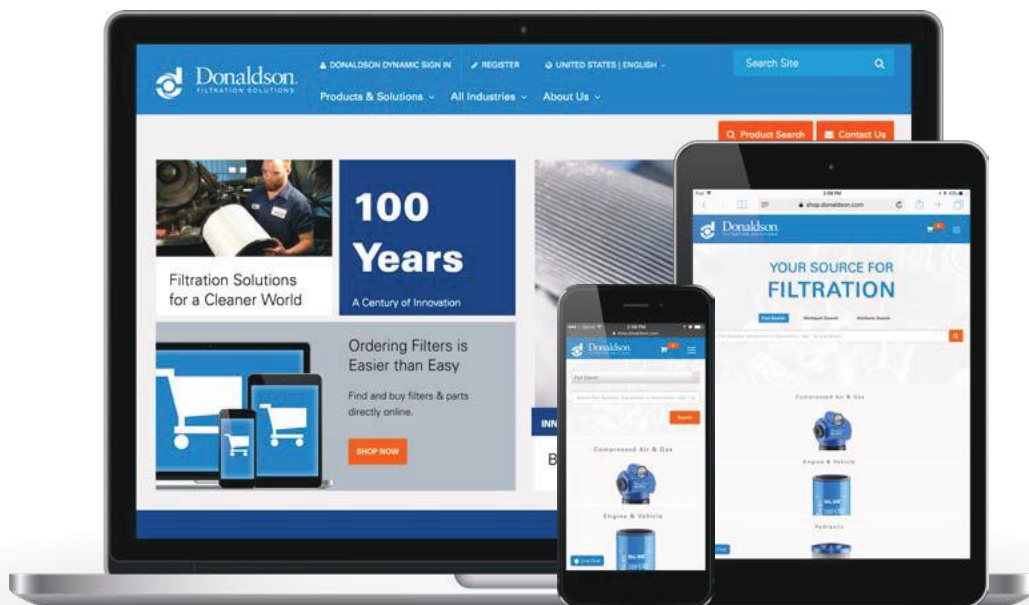

Fleetguard® and OptiAir™ are registered trademarks of Cummins, Inc.

Replacement filters for Mann+Hummel® Europiclon® Air Cleaners use high-efficiency media, vibration-resistant RadialSeal™ design and rigid structural support to deliver superior performance and proven protection.

Mann+Hummel® and Europiclon® are registered trademarks of Mann+Hummel®

Finding your Donaldson filter online has never been easier.

DISCOVER.

Looking for a complete filtration system or advice on choosing the right filter option? Go online to **donaldson.com** to learn about the broad range of filtration solutions offered by Donaldson – and to help you decide which option is right for your application.

DECIDE.

If you're an equipment owner that needs to purchase filters and parts – it's easy to find the right Donaldson part, make an online shopping list and even request a quote from one of our distributors. We make finding filters *easier than easy* at **shop.donaldson.com**.
